The Fish Hook Drive-In opened in the Spring of 1985 on Damon Road in Northampton, Massachusetts. We serve fried seafood, hamburgers and hot-dogs. Our idea was simple - to serve the freshest and best tasting seafood at a reasonable price. We make and blend together all of the special breading that we use on all of our seafood. As our business grew, so did the size of our trailer. In 1987, we built and opened a 75 seat restaurant at the same location and changed our name to Webster's Fish Hook Restaurant. Our motto remains the same - to serve the best.

Once you try us, you're hooked.
